# ADDITIONAL PROGRAMS

## Tumble Class

Develop your tumbling technique and progress to new skills with our tumbling coaches in these weekly group classes! Tumble classes are great for all ages of cheerleaders to learn everything from cartwheels to double fulls.

**x1 weekly class is included in ALL STAR CHEER annual tuition (EXCLUDING NT)**

**COMPETITIVE ATHLETES - \$150 p/term (10 weeks)**

**NON-COMPETITIVE ATHLETES - \$189 p/term (10 weeks)**

## Flight School

Flyer positions at MAGIC are highly technical and require additional training to perfect stunt elements and improve flexibility. Enrol into Flight School to attend a weekly class to develop everything you need to become an amazing flyer!

**Compulsory for ALL STAR level 1+ flyers**

**\$100 p/term (10 weeks)**

## Tumble Privates

Want a tumble coach all to yourself? Work towards individual goals with an individualised program in a 1-on-1 private class!

Our very popular privates book out fast, so snatch one up quick at Registration Day!

**\$400 p/term (10 weeks)**

## Dance Doubles

Positions in elite dance doubles in all genres are on offer in 2024 - pom, lyrical, jazz and hip hop.

PERTH MAGIC will be showcasing its top dancers at several events with routines designed to highlight difficulty, creativity and the technical ability of our dancers!

**Selections for 2024 Dance Doubles will be made by our Coaching Staff from All Star Dance Teams**

**\$200 p/term (10 weeks) & \$40-75 p/competition**

## Group Stunt

MAGIC will be running competitive group stunts for every All Star level. Athletes enrolling into the All Star program are eligible to try out for a position on a competitive group stunt team for 2024. Groups will learn difficult elite skills to combine into a fast-paced 1 minute stunting routine.

**Selections for 2024 Group Stunts will be made by our Coaching Staff from All Star Cheer Teams**

**\$160 p/term (10 weeks) & \$40-75 p/competition**

## S.P.E.L.L

Select athletes will be invited to our S.P.E.L.L workshops each school holidays, designed to enhance individual skills and unlock potential!

**STRIVE, PERFORM, EXCEL: LEVITATING LIMITS**

# Our Coaches

Our coaching staff are true experts in their craft, with years of dedicated experience. They are the backbone of our gym, nurturing and guiding every athlete with care. Our team's expertise is the driving force behind our success, upholding a safe and positive environment for all, ensuring each athlete's Cheer & Dance journey is truly MAGICAL.

# Coach Development

PERTH MAGIC is passionate in growing careers in our amazing sport. We run multiple programs to develop future coaches from the ground up, assisting our athletes to transition smoothly into leadership roles with guidance and support.

In 2025 we will continue to grow and expand the following leadership programs:

- **Magic Mentors (11+yrs)**  
Take the first step into leading tiny to youth-aged athletes along their cheer and dance journeys
- **Assistant Coach Development Program (13+yrs)**  
Train under our Senior Coaches and discover what it takes to coach at PERTH MAGIC!
- **Junior Coach Training Program (15+yrs)**  
Take on a role as a Junior Coach alongside our Senior Coaches on teams and classes for the 2025 season. Continue to build on your knowledge while gaining experience as a member of Perth Magic Staff!

**APPLICATIONS OPEN IN JANUARY 2025**

# Testimonials

Our family entered the world of cheer 5 years ago when our eldest daughter signed up for a holiday workshop, and we haven't looked back. She quickly developed a love for the sport and our second daughter followed in her footsteps. In Perth Magic our children have found a home away from home, coaches who genuinely care about them, senior athletes that provide excellent role models and lifelong friends. At Perth Magic we have seen our girls flourish as they have developed their physical skills as well as their confidence and resilience.

Perth Magic is committed to supporting their athletes achieve their very best.

My three daughters all attend Perth Magic in both competitive and recreational teams. The gym has become like a second family for them, a place where they feel safe, appreciated and comfortable to be themselves. The coaches are friendly and approachable, and we appreciate their ability to meet each of our kids where they are at. They have not only helped my girls build new skills, they have helped them grow in confidence and spirit and are helping them develop into well-rounded athletes and people.

The gym staff and greater gym community have a lovely, positive vibe and our whole family have made new friendships within the club. We really enjoy seeing the way other athletes (both peers and older kids) greet our girls when they walk into the gym and we know that they have wonderful role models there.

In only the first year of Perth Magic, Rachael has changed and elevated so much throughout the gym, whilst still keeping it a positive environment and a safe space for everyone. The club she has created is one I am proud to be part of. All the coaches are super supportive, and many have helped me not only during training, but also through my transition into becoming a junior coach. The gym has become like a second home to me, and I am very excited and grateful to see and be part of it's growth!

# FAQS

- **We are new to Cheerleading and Dance and I/my child has no experience. Will they make a competitive team?** Yes, our semi-competitive program is perfect for beginners wanting to start in competitive Cheer and Dance!
- **I am unsure of what Team Placement Day sessions to attend. What do I do?** Complete the Semi-Competitive/Novice OR All Star registration form as best you can and our staff will be contact with you to assist in how to proceed.
- **I do not have all the required skills for a particular All Star level, but would still like to be considered for a place in the team.** Please attend the current level you are competing in along with the one above that would like to be considered for. Athletes are required to attend the tumbling session they can confidently perform and may also attend the level above session if they can meet some of the tumbling skill requirements.
- **Why is there a Team Placement Fee?** Our \$30 Team Placement Fee (Novice/All Star) covers our Coaches for Team Placement Day and our Athlete Placement Meetings, where we finalise all competitive team placements.
- **How do I make payment for my Team Placement Fee?** Upon completing your online registration, you will have access to the online Magic Portal following a confirmation email from our staff. Payment can be made via your Magic Portal or in EFT/CASH at the gym.
- **What do I do if I cannot make Team Placement Day?** Complete your online registration and select the box to let us know you cannot make it to the gym during Team Placement Weekend. Our staff will contact you to arrange an alternate placement session to assess your/your child's Cheer and Dance skills. Please note the Team Placement Fee is still due, to cover our coach's wages for the entire Team Placement process.
- **Why is Cheer Team Placement Day so long?** This is so coaches can without a doubt assess all stunting skills in a variety of stunt group combinations to gather the best information possible about every athlete attending.
- **I've completed a year in a particular level, does that mean I 'move up' to the next level?** Only if you can confidently and correctly perform the required tumbling and stunting skills for the next level. Athletes usually spend multiple years in each level.
- **My child has the required tumbling skills for the next level, does this mean my child will move up a level?** Not necessarily – athletes are required to show competence in all areas of Cheer. This includes tumbling, stunting, jumps, choreography and performance, along with qualities of teamwork and good work ethic. Coaches take into account every athlete's overall performance and mental readiness when creating teams.
- **How do you choose teams?** We take great care in the placement of each and every individual athlete at PERTH MAGIC. Our experienced Senior Coaches work closely throughout the Team Placement Process to discuss each athlete's suitability to compete with confidence, train skills safely and grow in the most appropriate team for them. Coaches take into account each athlete's performance at Team Placement Sessions, Tumbling Workshops and the entire 2024 season in training and at events. Coaches spend 2 full weeks carefully considering placements to ensure every single athlete is placed onto the best team for them.
- **What do I do if I am unhappy with my team offer?** Before contacting us, please take into consideration the team placement guidelines and know that your child's best interest has been taken into consideration when placing them on their team. Team placement is multifaceted and we believe the team each individual receives is where they will thrive the best for the 2025 season. If you are still unhappy about your team offer after 48 hours, our coaches will happily discuss with you the reasons behind your/your child's placement. Please note all team placements are final.
- **How will I know if I/my child is a flyer?** In your 2025 Offer email we will outline if you/your child is being considered for a position as a flyer on their 2025 team. Flying positions are never permanent and are subject to change due to an athlete's ability to perform at the appropriate level and suitability for the entire team's stunting dynamics. To be eligible for a flyer position on an All Star Team, athletes must enrol into Flight School and commit to their individual progress at the gym and at home throughout the season.
- **When will TOURING TEAMS be announced?** Coaches take into consideration the number of families wishing to tour in 2025. We believe in giving all athletes the opportunity to tour Nationally and do not only take our highest level teams. This means we could select any teams from our All Star program to attend Nationals! Touring Teams will be announced and communicated to families in their Letter of Offer via email on Saturday 14th December
- **Are there alternate payment options for tuition/camp/competition/uniform fees?** PERTH MAGIC offers individual payment plans and will consider alternate payment dates for camps/competitions/uniforms on a family by family basis. Please note athletes will not be registered for events, booked into camps or have uniform items ordered for them until invoices are paid in full. For further information please refer to our Payment Policies on our website.
- **Will the competition uniform remain the same for 2024?** Yes, our standard CHEER club uniform updates every 3 years. Teams will receive new BOWS/SCRUNCHIES in 2024. Semi-Competitive and All Star DANCE teams will receive a NEW dance costume to match their 2025 routines (costuming is a scored item on all dance scorecards so we are required to update these each season to suit choreography/music/themes). NOVICE uniforms will remain the same, with new BOWS/POMS.
- **Will there be new training merchandise in 2025?** Oh yeah! We will periodically release merchandise drops throughout the season!
- **Is there a required training uniform at the gym?** All athletes will receive our NEW 2025 Club T-shirt with their enrolment pack. This shirt will be the only required training uniform item at particular training events, camps and/or choreography. We ask athletes to wear appropriate training attire and rock the BLACK, PINK and BLUE as much as they can at the gym!
